Please see the letter received from the Service Manager, Tricom
Tech.Services,

S.R.Nagar, Hyderabad in the c.f. Wherein it has been informed that
the life of the Modi Xerox Machine of Law Department installed on 19-
05-1999 requires workshop repairs (Refurbishing) and the present
machine has completed more than 9 years and the equipment needs
complete refurbishing due to the aging of the machine, which will
lead to, repeated copy quality problems and it is essential to do the
refurbishing activity to ensure fewer breakdown and enhance
reliability of the machine.

2. It is submitted that he has further informed that the charges for
refurbishing are Rs.25,000/- plus 12.36% Service Tax on 30% and
12.5% VAT 70% of the amount. The life of the machine can be
extended by 2 lacs copies more or two years whichever is earlier after
refurbishing activity and alternatively avail their recently introduced
Trade-in-Scheme, where by replace the current equipment with new
equipment which could meet the present/future copying requirement
better either in terms of copy volume or in terms of features by
provide improved performance and also requested to consider the
proposal favourably.

3. In view of the remarks at paras 1-2 above, it is submitted for orders.
